

June Program: Presentation – Melody Randol – Art Quilter
Don't Forget: Name Tag, Show & Tell, Food Drive Item
Fat Quarter Drawing: **Cherries! – Fruit of the Month!**

President's Message

Jill M.

The sun is out and our gardens are growing!!!! This is my favorite time of year! The downside is there is less time in the quilt studio..... I hope your "Clues" are coming along...to be completed in June. And 25 members have registered their "Ruby Challenges" in the SOQS. It should be a strong exhibit.

The Quilt Show is on track for August 15 EXCEPT for the Quilt Frame Transportation Sub-Committee. The Board discussed this at length last week. If no-one steps forward to organize this element, the quilt show will go on. HOWEVER, there will be hanging space for fewer quilts. We estimate a 40 to 45% reduction in the number of quilts that can be displayed. Priorities will need to be set with possible limitations on sizes and/or numbers of quilts. We remain hopeful that someone will step forward on this one short, but critical, job for our show. Keep in mind, \$500 has been authorized to rent a vehicle and also to pay a volunteer group for their services in transporting the frames! If you have any questions please do not hesitate to call me or Susan M.

Please know that the Board has moved the date for the June Board meeting from 6/22/15 to 6/29/15. It will take place at the usual time, 6:00 p.m. at Partners in Care.

See you Monday, June 8th at our member meeting!

Community Quilts

Diana L., Sue W., Karen K.

Community Quilts workday will be Wednesday, June 10th from 11:00-2:30. We will meet, as usual, at Nativity Lutheran Church which is at the corner of SE Knott and Brosterhaus in Bend. Bring a Community Quilts project to work on, lunch and machine/notions for your project. If you don't have a CQ project, we have plenty at the church, along with lots of nice fabric and batting. Contact one of us if you have any questions.

All of the ugly backing quilts we received were wonderful. We will show the quilts at the June guild meeting. The winner was Lizbeth C. Runners-up were Jane D. and Andrea C.

Community Food Drive

Sue W.

The Nativity Lutheran Church food pantry program served 116 families or a total of 445 adults and children for the month of May. The guild is lucky to have a partnership with this church. We get to use their wonderful open, light filled room every week to quilt and socialize, not just on Community Quilt day,

but every Wednesday (except for some holidays and Vacation Bible School week). We also have space to store sewing supplies, equipment, batting & fabric. In return we donate cash and food to their food program. A box and jar will be on the snack table at the June meeting for your donations of cash or canned food items.

Quilt Frame Transportation Sub- Committee NEEDS People!

Pris B.

We need people to transport the wooden quilt frames from Sisters to our show and back. This is a huge part of Mt Bachelor's quilt show. And it's a short-term job – only two to three days. You would oversee a team who transports the frames to Bend the day before the show, deliver them to the park on quilt-show day, and transport them to Sisters (just after the show or the next day).

President Jill, who chaired the show last year, recorded that we used 33 quilt-frames from Sisters – 12 big ones & 21 small/shorter ones. And Jill estimates that the frames display about 45% of the quilts in the show – without them, we will have a much smaller show.

At the May meeting, I offered to mentor two guild members, to show them how to run the quilt frame transportation, but no one offered. . . dead silence. I was so disappointed! I need to step back – I've had health issues for the past year, plus I'm 73 and Bob is 77. So I can't chair the **major** committees any longer. But Bob and I will still be at the park to set up frames & hang quilts (then he'll play golf and return to the park at 4:00 to take down the frames and pack them up).

I used to tell people that the day of **Mt Bachelor's quilt show was my favorite day of the year!** An amazing statement, because I was always very involved with all the work of making the show happen. I chaired the whole quilt show FOUR times, including transporting the frames from Sisters. Other years, I chaired the Quilt Collection day, or the Quilt Pinning team, or helped load up the Sisters quilt frames, etc. And every year (from 2001 to 2014), Bob and I showed up at the park before 7:00am to help with setting up the frames and hanging the quilts on them.

In spite of all the work, I *loved* so many things about the quilt show -- the camaraderie, the cheery cooperation of all the volunteers, searching for good buys at the Sale Table, the chance to see all the quilts close-up, sitting down together to enjoy our pot-luck lunch and visit with other members, and taking my neighbors and friends for a tour around the show.

Please, someone, PLEASE volunteer to learn how this part of our quilt show happens, so we can continue to have wonderful quilt shows! THANK YOU!

UPCOMING EVENTS

Programs

Kim M.

For our June meeting, Melody Randol will be our guest speaker www.melodyquilts.com. Melody is an art quilter from Colorado and specializes in landscape quilts. Her lecture is titled "Color Works!"

Color is often the most exciting component of a quilt, yet can be the most intimidating part of planning. We'll take an in-dept look at color – what works and why, the messages colors convey, and ways to make color sing in our quilts. A greater understanding of color and design will enable you to move from making good quilts to making spectacular ones.

July meeting: Show and Tell from Quilt Week. Bring the items you worked on this year during the classes you took.

August meeting: No meeting this month.

Workshops

Corni Q.

In June, we are pleased to host Melody Randol from Colorado for her MELODY'S LANDSCAPE TECHNIQUES workshop. This 2-day workshop will be held on June 10th and 11th (Wednesday and Thursday) at BJ's Quilt Basket, 20225 Badger Rd, Bend, from 10am-4pm each day. Arrive a bit early on Wednesday to set up your workspace. Also, please park at the south end of the parking lot and enter the building through the back door. Leave the parking spots nearest the front door open for shoppers.

Bring your printed landscape panel, fabrics, fusible, and other supplies from the class requirements. Also, bring a sack lunch or plan on a quick trip to a local fast-food eatery on the south end of town. Check out Melody's website at <http://melodyquilts.com> for examples of her amazing landscape quilts.

OCTOBER -- POSITVELY POSTCARDS with Bonnie Sabel on October 12 - morning OR afternoon class at the Bend Parks & Rec facility at 1675 SW Simpson in Bend; shared with Mtn Meadows; \$12 plus nominal kit fee.

Contact Corni Q. via email or phone with any questions or to sign up for our Workshops.

Clue Quilt Makers - Your quilt needs a Clue Quilt Form! Please include the Clue Quilt Form when you turn in your Clue Quilt. (See *Revised* form attached to this Newsletter). Your name should be on your quilt label, but NOT on this form. The people voting on the challenge quilts will get to learn about the cards that inspired you and what elements of your quilt reflect those cards. Clue quilts should be turned in at the June guild meeting to Cindy O., or you can bring your quilt to Cindy's house between June 27-30 (call, text, or email for directions). The quilts will be displayed at our July guild meeting where members will vote for their favorites. Your quilts will also be displayed at the MBQG show in August where the general public (and guild members in attendance) will vote for their favorites.....so you have two chances to win!
