

February 2022

February Guild Meeting via Zoom
Monday, February 14 @ 6 p.m.

President's Message

Karen Dougan

February is MBQG Membership Month. Dues are due, committees are looking for volunteers and new friends join us. What a great time to invite a friend (in your bubble) to take this month's Zoom workshop or watch the monthly ZOOM general meeting with you. If you are longing for an in-person activity, Community Quilts' Sew Days happen weekly. Contact Dianna Knight for more information about the Zoom Workshop on February 3 "Light Up Your Landscape" from 9am-4pm. Our February 10th general meeting speaker, Margarita Koriath, will be sharing her special technique in creating art using different media, paints, dyes, paper. Keep reading for all the information about what's happening in the MBQG.

Did you also know that February is National Heart Month? As quilters and creators, we are blessed to have a craft that gives us joy, peace, fellowship, and the use of our mind especially during these trying times. We also need to take care of our body. Eating healthy, getting some form of daily activity, and drinking enough water in our day are just a few things we should be doing. Did you know each day we are encouraged to drink half our body weight in ounces of water? Example, if you weigh 150 lbs. you should be drinking 75oz of H₂O. Small things to help us keep healthy. Take care of you!

Programs

Caroline Wulzen & Patti Stewart

This month's meeting will be by ZOOM. Our featured speaker will be Margarita Koriath. For the past 20 years, Margarita has worked with different media, paints, and dyes, to discover and create new techniques that incorporate paper and fabric in one piece of art.

Her message is to approach quilting art from a different perspective to show the endless possibilities of combining printed material with fabric or on fabric alone. Some examples include magazine clippings, letters, cherished documents, or newsprint. Her presentation will inspire us to broaden our horizons and try something new.

Our March meeting will feature Grace Errea, who will introduce a "Heat Set" appliqué technique that some of our members have found to be very effective. Diana Knight will provide further information, including details of a March workshop presented by Grace. The presentation and workshop will be via ZOOM. Contact Diana for details.

Community Quilts

Joyce Andrew, Lizbeth Cattle, Jane Davis,

WEEKLY MEETINGS: Community Quilts meets on Wednesdays, 10:00-1:30 PM at Nativity Lutheran Church at 60850 Brosterhouse Rd. Bring a lunch and drink. Masks are required. All guild members and non- members are welcome. Fabrics and/or quilt kits are provided for your quilt top. When the top is finished, we provide batting and backing to complete your project for donation to our community charities. If you want to hand in a completed quilt, please do so at our Guild meetings or any of the Wednesday CQ meetings at the Church.

LABELS: Please note that quilts need to have the **paper label** with your name, size, etc. Labels can be printed from the Mt. Bachelor Quilters Guild website (no password required). Look under "Downloadable Forms". Also note that quilts need to have a **MBQG fabric label** sewn onto the back. You can get labels at Wednesday meetings or in-person guild meetings.

LONG-ARM QUILTING: If you would like to turn in a larger quilt top to be quilted by one of our volunteer long-arm quilters (Joyce Andrew, Sue Wooley, and Andrea Carpenter), we are requesting that you also make the back for the quilt. The back needs to be at least 3" larger on each side for long-arm quilting. For more info, please contact Jane Davis.

Community Food Drive

Joyce Andrew

The Food Pantry provides 90 to 100 pounds of food to each of approximately 100 families every month.

Sunshine/Community Bulletin Board

Fern James

Let Fern know if you know of anyone in the guild that could use a note as they are healing from loss, injury, or any other way we might reach out. Especially during this time when we cannot meet in person, I want to be sure we keep in touch with any members that may appreciate a card.

2022 Challenge Quilts

Cindy O'Neal

The theme for our 2022 challenge is "The Music of the Beatles." Get inspired by Beatles music, lyrics, song titles, albums, etc. Finished quilts are due at our June meeting. Please keep your project a secret and bring it to me in non-see-through bag to keep your entry a surprise. The guild will vote on our favorites at the July meeting and then the quilts will be hung together at our show in August. These quilts might be our guild "special exhibit" for the Sisters Outdoor Quilt Show in July 2023. They require that all entries be a minimum of 40" x 40". For our guild challenge, you can choose any size you like but if you want to be part of the potential special exhibit in Sisters in 2023, your quilt should be a minimum of 40" x 40". Any questions? Contact Cindy O'Neal at cindy.c.oneal@gmail.com

Guild Library

Mary Ella Strelchun

*Wearable Quilts: Sewing Timeless Fashions
Using Traditional Patterns—*
by Roselyn Gadia-Smithley

In preparation for the Gloria Loughman workshop February 3rd. I pondered the question, 'What am I going to use this for?' Our asymmetrical house has little wall space and quilts for family are waiting to be sewn. Perhaps something useful.

Pursuing the U Section (usable quilting) of our guild library, Gadia-Smithley's book featured items that could fit our high desert apparel. This book features step-by-step illustrated instructions for making quilted vests, jackets, and kimonos, describes quilting techniques and materials, and provides apparel and patchwork patterns. Maybe a vest might look grand with a radiant tiled landscape of Mt. Bachelor. We shall see. If you want to visit the library call or email MaryElla to arrange a time.

The session on March 19 will be mostly lecture as Grace teaches us about the value of color in our projects and her innovative technique that eliminates fraying in raw-edge applique. The following week we will create a small project utilizing her technique with the kit provided. Small pieces of fabric will be all that you will need to provide. Workshop cost \$45 plus \$40 for kit.

At Memories to Quilts I convert collections of clothing, especially T-shirts, into lasting treasures. Our clothing provides a record of the lives we live. How and where we work, our travels and recreation, entertainment, and how we participate in our communities, are all represented in our clothes. They tell a story. Why not wrap yourself in memories? I also do quilt repair, binding, and complete unfinished projects. You can find me on Facebook and Instagram or visit my webpage.

January has been a productive month for us here at The Stitchin' Post. The first two weeks we received 16 large boxes of fabric....it made me wonder if a container ship in Long Beach finally got unloaded. Lots of surprises inside, as most of our orders do not arrive when promised but are one to two months late. That seems to be the new normal these days. We have spent quite a bit of time with salesmen too ordering for April, May, & June deliveries, just in time for quilt show. And speaking of quilt show, Quilter's Affair registration went so smoothly this year! Val and her team worked

hard to get all the bugs out of the registration process. Congrats ladies!

My Dreaming in Color blog "It is not Black and White" posted this month. I love writing this monthly discussion on color, trying to highlight different approaches to it. I come up with an idea, then search through my photographs to illustrate the points of discussion. It is geared to anyone who is interested in color and working with it as a maker. Let me know what you think about it.

Our classroom is open, and we have maximum social distancing and a wonderful air filter to keep us all safe. Diane has done an outstanding job with the selections of classes, check it out on our web site or sign up for our newsletters.
