

March 2022

Meeting via Zoom
Monday, March 14 @ 6 p.m.

President's Message

Karen Dougan

During March we have workshop challenges, retreat registration, community quilt news, sew days, and don't miss the March's presenter, Grace Errea.

In addition, we have a new zoom event we are going to launch at our [Monday March 14](#), MBQG Zoom meeting.

Are you missing participating in shop hops? April is your "Shop Hop" Month! Stef Hinton from High Desert Quilt Guild is organizing an "UNOFFICIAL GRASSROOTS, QUILT SHOP, APPRECIATION SHOP HOP." For the month of April, the quilters of Central Oregon, will make our own shop hop and get together with our friends and fellow quilters and visit in as many shops as we can. Let the shop owners know ahead of time if you have a large group. Jean Wells volunteered the Stitching Post would do demos for you if you call ahead. This Shop Hop is the perfect time to gather your supplies for the [April 23-24 Day Retreat](#). More info in the newsletter about the retreat.

With the closing of Sew Many Quilts we have an opportunity to thank Sharon and Gail for all they have done for our community these past 19 years. We are going to miss this wonderful shop!

August's Annual Quilt show chairs have volunteer positions needing your help. Boutique chairs are seeking donation of crafty items to sell. See you on March 14!

Programs

Caroline Wulzen & Patti Stewart

We all enjoyed Margarita Koriath's presentation, combining paper and fabric and printing in an innovative way. I know that ZOOM meetings have their challenges, but we do benefit by being able to enjoy quilt arts from far away locations.

Our March speaker will be Grace Errea, whose presentation will focus on color value. She will also teach a virtual workshop using her amazing "Heat-Set" techniques for appliqué. Contact Diana Knight for further details.

April's speaker will be Veruschka Zarate of Pride and Joy Quilting. She will show us how she uses foundation piecing techniques to create fresh pieces for quilters to make.

MBQG Boutique

Diane Ottenfeld and Barb Fortman

In August MBQG hosts the Quilt Show in the Park. A big part of the show, and a huge money maker for the Guild is the Boutique. Every year we receive donations of crafted items that we price and sell. Successful items in the past have been table runners, placemats, potholders, microwave cozies, baskets, purses, and dog collars. This year we would like to encourage members to make ANY kind of fiber art project- not just sewing. We have lots of knitters, crocheters, and painters out there. Please bring your donation items to Community Quilts at the Nativity Lutheran Church on Wednesdays from 10-1:30, or call one of us for a pick up.

As incentive and encouragement to make donatable items for the Boutique, several "classes" will be held free of charge, except for the cost of supplies needed. The first class will be rope bowls, taught by Barb Fortman. The class will be held Thursday March 10th from 10 a.m.-1:30 p.m. at Nativity Lutheran. Also, if you have something you would like to teach – the Church can be made available for you as well. If you are interested in learning this addictive craft, or are interested in teaching a skill, please contact Barb Fortman. Email: bmyersfortman@gmail.com. Text: 541-668-1468.

Lastly, I will mention that we are in need of one or two folding laundry drying racks. If you have one that you don't use and would like to donate it to us, we can come and get it from you.

Community Quilts

Barb Fortman, Joyce Andrew, Lizbeth Cattle,
Jane Davis

Thank You Bev Piper!

After 9 years of service to Community Quilts making quilt "kits" for newcomers or for anyone that "just doesn't have anything they are currently working on," Bev Piper has decided to retire from this position. Bev maintained the kits so there was always one for the taking for anyone that wanted one including non-members. She provided kits at the MBQG meetings as well. Thank you, Bev, for 9 years of great service. She is succeeded by Barb Fortman. Bev, you will be a hard act to follow!

QUILT KITS:

On March 2nd we will release the 1st Community Quilts "Challenge" kits for 2022. The challenge has been to rid the storage unit of 1-1/2 tubs full of 5" charm squares!! Barb Fortman, Robin Prigin, and Joyce Andrew have compiled 26 kits of various sizes and patterns, including 2 twin bed kits, that will be ready to pick up at the Church on March 2nd and March 9th.

WEEKLY MEETINGS: Community Quilts meets on Wednesdays, 10:00-1:30 PM at Nativity Lutheran Church, 60850 Brosterhous Rd. Bring a lunch and drink. Masks are required. All guild members and non- members are welcome. Fabrics and/or quilt kits are provided for your quilt top. We provide batting and backing to complete your project for donation to our community charities. If you want to hand in a completed quilt, please do so at any of the Wednesday CQ meetings at the Church.

Community Food Drive

Joyce Andrew

The Nativity Lutheran Food Pantry continues to distribute 90 to 100 lbs. of food to approximately 100 families every month. The donations from our Guild help the Food Pantry in this important work. The Food Pantry thanks you for your generous donations to this cause. Our donations are collected at the Wednesday meetings, guild meetings, and from members who send checks directly to the church.

2022 Challenge Quilts

Cindy O'Neal

The theme for our 2022 challenge is "The Music of the Beatles." Get inspired by Beatles music, lyrics, song titles, albums, etc. Finished quilts are due at our June meeting. Please keep your project a secret and bring it to me in non-see-through bag to keep your entry a surprise. The guild will vote on our favorites at the July meeting and then the quilts will be hung together at our show in August.

These quilts might be our guild "special exhibit" for the Sisters Outdoor Quilt Show in July 2023. For our guild challenge, you can choose any size you like, but if you want to be part of the potential special exhibit in Sisters in 2023, your quilt should be a minimum of 40" x 40".

Contact Cindy O'Neal for questions at cindy.c.oneal@gmail.com

Guild Library

Mary Ella Strelchun

Watching the video that Gloria Loughman presented for the 'Light Up Your Landscape' workshop opened a world of possibilities for fabric tile shapes, hues and graphic landscape details. Three times I changed my color palette and now, I am redoing the foreground the second time. While I am not as fast and project focused as my fellow quilters, I am enjoying the process. Browsing through our guild library, I skimmed several books on thread painting and embellishments.

In Stitched Textiles: Landscapes by Kathleen Matthews, MS Matthews shares her unique method of creating beautiful landscapes using quilting, dyeing and stitching techniques. She shows what materials are needed, and takes us

through her design process from taking reference photographs of landscapes through composition, identifying the light source and choosing fabrics and thread to create the scene.

We learn simple dyeing methods to create unique fabrics that are ideal for landscapes, and then learn how to transfer the design on to fabric, create a quilt and layer fabrics to create the various parts of a picture. Free machine embroidery is then used to create the effect, with hand embroidery sometimes employed for details. There is plenty of information on creating landscape elements such as water, skies, trees, hills and mountains, fields, flowers and buildings and more, and on depicting the four seasons.

Amazing Heat-Set Applique with Grace Errea March 19 & 26, 2022 9am-12 noon each day

This Zoom workshop will be hosted by Grace Errea. The session on March 19 will be mostly lecture as Grace teaches us about the value of color in our projects and her innovative technique that eliminates fraying in raw-edge applique. The following week we will create a small project utilizing her technique with the kit provided. Small pieces of fabric will be all that you will need to provide. Workshop cost \$45 plus \$40 for kit.

At Memories to Quilts I convert collections of clothing, especially T-shirts, into lasting treasures. Our clothing provides a record of the lives we live. How and where we work, our travels and recreation, entertainment, and how we participate in our communities, are all represented in our clothes. They tell a story. Why not wrap yourself in memories? I also do quilt repair, binding, and complete unfinished projects. You can find me on Facebook and Instagram or visit my webpage.

Hello from The Quilt Basket!
Things in the quilt universe are sure in a state of flux -- shipments we expected last fall are finally arriving,

prices are going up (AGAIN!), and now the news about Sew Many Quilts. Phew, nothing is constant except change, I guess, but my head is still spinning!

For all of you loyal SMQ shoppers, please be sure to stop by and let us know which fabric designers you particularly would love to see us carry, and classes and events you might like to see. We will do our best to help you feel at home on Bend's south side! We love all our customers and look forward to helping you make the quilt of your dreams.

Jean's blog <https://stitchinpost.com/blogs/stitchin-post-blog>

As we get closer to spring, the new fabrics and other good things just keep rolling in! We've received several boxes of colorful new Pura Vida batiks from Anthology, Wallflower by Giucy Giuce, Grunge basics from Moda and Speckled basics from Ruby Star Society, and a new holiday line designed by Kelly Rae Roberts called Christmas Magic.

Jean's Dreaming in Color blog "Variety – The Spice of Life" posted this past month. This article was inspired by the shipment we received of new [Decostitch Elements](#) fabric from Art Gallery and its variety of lights, darks, and bright hues.

The Sisters Outdoor Quilt Show posters and shirts have arrived! The quilt on the poster, "Creating Community," was designed and made by Janet MacConnell. This year's shirts are black, and feature the "Woodland Wonder" raffle quilt, made by the East of the Cascades Quilters in Sisters, using Karla Alexander's "Inversion" pattern and "Sticks 'N Stones" batiks designed by Jean Wells. (We will also be receiving tote bags and fabric panels, but not until some time in June.)

Our online and in-person classes continue—be sure to check our website for new offerings - <https://stitchinpost.com/collections/learn>, or sign up for our e-newsletter on our homepage.
