

Easy Kraft-Tex Credit Card/ Business Card/ Gift Card Holder

If you are going out and don't want to take your purse, this slim card holder is would fit nicely in the back pocket of your jeans. It is also a cute way to dress up a gift card present. The flap is held down by a strip of Kraft-Tex instead of a snap. Sewing on this material is easier with a sharp needle and a slightly longer stitch length.

Materials:

1. 4 x 6 ½ inch piece of Kraft-Tex
2. 4 x ½ to 1 inch piece of Kraft-Tex for flap holding strip
3. Fabric or paint for embellishment if desired

Directions:

1. For the top flap, fold one short side down 2 ¼ inches.
2. Round the corners of the flap, or cut at an angle to fit under the holding strip.
3. Fold the opposite end up 1 ¾ inch for the bottom of the case.
4. Decorate strip or case with fabric, paint, or decorative stitching, if desired.
5. Keep the bottom folded up, and place the strip ½ inch above the bottom of the case, matching the sides. Hold in place with a clip, not pins.
6. With top flap unfolded, sew around all edges of the holder, 1/8 inch from the edge. Do not sew across bottom fold
