

## Key Fob Wristlet

### Supplies

2½ inch x 14 inch fabric (This may be one piece of fabric or may be pieced.)  
1 inch x 14 inch fabric (if accenting with fabric strip)  
1 inch x 14 inch strip of lightweight fusible batting  
Key fob hardware (available at JoAnn's)  
Buttons

### Instructions

1. Cut fabric(s) to designated size. Fold in half lengthwise.
2. Fuse batting strip to one side of pressed fabric with batting closest to fold line.
3. Stitch 14 inch strip with  $\frac{1}{4}$  inch seam. Turn and press. Top stitch close to edge.
4. If adding fabric accent, center on fabric strip, fold under raw edges and stitch down both sides.
5. Fold strip in half so that raw edges are aligned. Stitch across short end, close to edge.
6. Insert short ends into fob hardware and clamp to close. Cover metal hardware with fabric to prevent scratching.
7. Add buttons for embellishment if desired.
