President's Message

Wynne Osborne

HAPPY THANKSGIVING! This is my favorite holiday. No gifts, no drama, just a wonderful meal I can now make in my sleep, and time with my family. And a chance to think about the many things I am thankful for. This year I must include thanks for my experience in the Guild and the many friends I have made. Also thanks to all those who step up to help with the work of the Guild. Many hands make light work.

Our November meeting is our annual business meeting. We have things to vote on and discuss. But we will also have time to share, to shop for some Boutique treasures and to hear about our December party. Carol Spongberg has a video to entertain and inform us. Bring something for Show and Tell and join us on November 13.

If you have not visited the Lubbesmeyer Art Studio & Gallery in the Old Mill Shopping District you will have to place it on your "To Do List". The identical twins, Lisa and Lori Lubbesmeyer, work in collaborative action, creating beautiful landscapes. Several quilters in our region have combined their efforts in group projects using various techniques and in similar manner as the twins. So, if you are interested in trying a collaborative quilt you might enjoy our Guild book, **Collaborative Quilting**.

Freddy Moran and Gwen Marston are internationally recognized, award-winning authors who have made beautiful quilts together despite the physical distance from each other. Their secrets are revealed in how to bridge style differences and use each person's strengths to best advantage. Freddy, an expert in color, discussed her specialty, while Gwen

talked about design principles. In addition, each artist offered ten personal tips and structured and unstructured projects to try, as well as ideas for putting them all together.

2018 Budget

The draft 2018 budget was presented to the Board on October 30th. The budget will be sent to all members shortly and was discussed at the November general meeting.

Community Quilts

Lizbeth Cattle, Cathy Cholick, Billie Krutsch, Diana Lawlis & Sue Woolley

Save the date - November 15th, 2017. This will be the last group project for the year, with pre cut kits made by Bev P. Depending on how many show up, you will either pick a kit for a top to do yourself or find a friend and sew the top together. There are usually floaters who do some of the pressing. If you can't make the date, the pattern will be on Mt. Bachelor Quilters' Guild web site.

Donated fabric should be 100% cotton, no satin, knits, or velvets. Smallest size we can use is a fat quarter, (18" x 22"), but we prefer 1 yard or larger pieces. If you hold the fabric up to the light and can see thru it, it's too thin. We want to make quality quilts that can stand up to use and frequent washings.

Community Food Drive

Debbie Hall

At the October meeting we collected \$29 for Nativity Lutheran Food Closet. Looking ahead to the December Christmas party, the party committee is asking everyone to bring to the event a canned ham, a packaged dressing or cranberry sauce for the Nativity Food Closet and of course, cash donations are always appreciated.

Newsletter

Pat Wilson

For Board and Committee Members, please have your submissions for the December Newsletter to me on or before Tuesday, Nov. 28th. Thank you!

Christmas Party 2017

The elves are busying themselves planning a fun and festive party for our Guild. Please join us and help to welcome in the season with your friends. Here are the details:

December 11, 2017 6:00 – 8:30

Bend Parks and Rec, Riverbend Community Room, 799 SW Columbia Street, Bend

Here's an easy checklist of what you need to bring to the party:

- Your name tag
- Wrapped gift for exchange
- Nativity Lutheran Food Bank donation
- Donation for entertainment
- Potluck dish (and serving utensil)

Thank you to everyone who signed up to help make this a special evening. We will be passing a clipboard again to fill a few areas. We need more people to sign up to decorate a table. This DOES NOT need to be a lot of work. There will not be a competition; we hope this takes some pressure off! You can even do it with a friend! All you need to bring is a table cloth (the tables are 48" X 73") a few simple decorations for the center (not too tall so we can see each other) and that's it! The table decorations make the room more festive and it's so enjoyable to see everyone's creativity. If you know you want to decorate a table you don't even need to wait for the clip board! You can call or email Kim McCray now and sign up.

Our dinner will be potluck. You will bring an item based on the first letter of your last name (this list rotates each year)

- A – H Side Dish or Salad
- I – O Main
- P – Z Dessert

We will be supporting only one charity this year, Nativity Lutheran Church Food Bank. We love their dedication to this important mission. You can bring cash or check, or if you prefer to bring a food item, they let us know that their greatest needs are Canned Hams, Packaged Dressing (stuffing) and Cranberry Sauce.

We will also have our gift exchange. Please bring a gift (wrapped), valued at not more than \$10.00. We are suggesting something related to quilting, but it can be anything that YOU would like to receive!

In addition to all our fun, there will be some entertainment and we will have a basket at the sign in table for donations.

Thanks again for your support of this party. Our members always bring delicious food, beautiful

quilts and step in to help make this a special event. After the November meeting we will be contacting you with a reminder of what you signed up to help with and the details for those jobs.

If you have questions please [email](#) Kim McCray

No matter what type of sewing you do, you need thread. Our program this month will be the video Thread Therapy with Dr. Bob. There is so much more to know about thread than just finding the right color for your project. The video is entertaining and informative. Don't miss it!

The trees and the temperatures are telling us that they are ready for fall, are you? The Fall Educational Shop Hop was lots of fun. We enjoyed seeing so many familiar faces, and hope that our demo's gave you ideas for new techniques to try and new products to use.

The day before the shop hop we hurried to get two new fabric collections on the floor. We have over 25 new bolts of Kaffe Fassett's floral and geometric prints that are color saturated - did you ever think that vegetables and flowers could be so pretty? Moda's new line, Farmer's Daughter, might just tug on your heartstrings too. Gingham has made a comeback in this collection, along with polka dots and roses. The taupe in this

collection really makes the other colors sing.

Interested in classes? We are well into our "12 Days of Christmas" classes to help you make gifts for family and friends, or learn new techniques. If you're web savvy, the classes and supply lists are all on our website (<http://www.sewmanyquiltsinbend.com>) for your convenience. We're also glad to help you over the counter or on the phone.

We seem to be gravitating to flannels and wool kits these days. Hopefully you are taking advantage of all of our sew groups that meet several times a week at the shop. There is so much laughter and a wealth of knowledge for sharing with anyone that is new to the craft. Please join us and be prepared to make a bunch of new friends!!

Bernina will be starting their Holiday Specials in November, be prepared to be shocked at what they are offering and as always there will be interest free financing specials as well. Happy Quilting!! Sharon, Gail and our fabulous staff

Here it is mid October already. We have had so many workshops and classes this fall. I love seeing people learning and participating in the creative process. I think I have always been a bit of a teacher since I was little showing my sisters how to do things and teaching junior high home economics for eight years.

We just had our after shop hop meeting and will be making some very fun changes next year. We want your experience to have value educationally. Stay tuned!

If you have not thought about our monthly fat quarter club "The Alchemy of Fabric" you should. We curate a collection of seven fabrics with a theme in mind and package it beautifully, thanks to Cheryl. Then you can pick it up or we will mail it to you...but the fun part with me is that our staff pow-wows about the grouping and we come up with inspiration on how it might be used. We want the club to be a creative experience for you. There is a posting of a project and creative ideas to go with the collection.

The annual PJ Sale is coming up on November 11...the whole family gets involved these days as Val's girls, Livy and Violette, love to come and help, along with some of their friends. Doors open at 6:30 am. This is

MT BACHELOR QUILTERS' GUILD

a great time to stock up on supplies you need for Christmas gifts and decorations, and even pick up some gifts from Twigs...start your list now and we will see you in your PJ's real soon.

Don't forget to check our classes online....there are some wonderful offerings this fall.

See you soon!

Greeting from BJ's! It was great seeing everyone during shop hop, and we hope you enjoyed the experience. Congratulations to our local winner, Patty Morehouse!

The longarm is up and running, and we're scheduling classes. Give us a call to sign up -- \$65 for a class, which includes a "make and take" sample. Once you've completed the class, machine rental is \$20/hour, and our yummy new Glide thread is included.

We've got lots of other fun classes in the works -- several classes in the Lumber Yard scrap management system, more By Annie's bags with

Lavelle Wallace, a darling paper-pieced snowman class with Nancy Fischer, and machine embellishment and beginning machine quilting with Bevalee Runner. Check our website for the dates and times, and sign up to learn a new technique.

Signups for our 2018 Block of the Month projects begin November 1. The quilts are gorgeous, you will learn some fun new techniques, and make new friends. Join us!

As always, thank you all for making BJ's the quilting place to be. We enjoy seeing all of you and seeing your wonderful projects.
