

Zoom Guild meetings will be starting up in November

Message from President

Suzanne Martin

Greetings and happy fall! The weather has turned a definite corner, and I'm scurrying to wrap up the garden, trimming and finally planting the garlic! I've lined up a couple good projects in my sewing room for the looming winter ahead. And this year the car has new tires, so I'm feeling set! Roof rake at the ready.....

In looking ahead toward the next year in the guild, we are finally going to be meeting on zoom starting November, and there will be some fun programs coming along. Please try to join us, hopefully it will be smooth and delightful to see faces! As far as committees, if you are currently on a committee, can you let the chair or me know if you are willing to continue? We are looking for people to lead on the Challenge theme quilt for 2021, for the raffle ticket sales next year, and for planning and creating the raffle quilt for 2022. Teams work well for all of these jobs.

Daily I'm so grateful that during this weird year of Covid pandemic, my life has been relatively less impacted than so many in our community and world. But being aware of the stress and strain that other people are dealing with, I've been donating to the food pantry at Nativity Lutheran. We know they are well-equipped to serve and reach out to many families, and I'm happy to support them in that effort to keep everyone afloat. I encourage anyone who can to continue to be generous that we all might make it through this difficult time.

Stay well, wash those hands, and wear the face covering!

Sunshine/Community Bulletin Board

Vickie Rooks

The Sunshine Committee exists to be a central point where members of the Mount Bachelor Quilters' Guild can share news about other members that might need some extra cheer because life has touched them with a loss in their family, a medical situation has occurred or something very positive has happened. Do you know someone in the guild that could use a card sent to them letting them know that all of the guild members are thinking about them? If so, please contact me, Vickie Rooks at vrkaba@aol.com and share your news.

The guild did not send out any cards during the month of October.

Community Quilts

NEED MEN & TEEN BOY QUILTS: Please help! We need more quilts for men and older teen boys. We have put together groups of fabric from our stash to make guy quilts. These are not kits – just groups of fabric that will work for male quilts, with a suggestion on how to use the fabric. These quilts need to be approximately 65 x 72". Partners In Care, Cascade Youth and J Bar J Ranch all need quilts for men or teens. Many of the fabric groups start out with a center panel (some large, some small) and you can make any design you desire. It would be nice to have these finished by December 10th for distribution.

We hope to distribute quilts to all of our charities again in December, if we have enough quilts at that time (not just the men and teen boy quilts). If you need supplies or want to drop off quilts, please call or text Diana Lawlis at 253-686-1546 for address and time. She lives near Mt View High School in NE Bend, and quilts can be left on her porch. Deadline is December 10th.

LABELS: Please note that quilts need to have the **paper label** with your name, size, etc. Labels can be printed from the Mt. Bachelor Quilters Guild website (no password required). Look under "Downloadable Forms". Also note that quilts need to have a **fabric label** sewn onto the back. You can get these from Diana—come by the house or call her (253-686-1546) and she will mail to you.

WEEKLY MEETINGS: Weekly meetings are postponed until further notice. When our weekly meetings resume at the church, all guild members and non-members are welcome to join us every Wednesday for a fun day of sewing. Bring a lunch! Once your top is finished, we provide batting and backing to complete your project for donation to our eight community charities. Wednesday meetings will be at Nativity Lutheran Church from 11:00 AM to 2:30 PM at 60850 Brosterhouse Rd.

Community Quilts Matter

MBQG received this nice thank you email for one of our quilts.

"We wanted to thank you for the amazing quilts you make for partners in care..."

Today my mom was so thankful to walk home, and is now wrapped up in my dad's quilt that he passed away with.

Thank you from the deepest parts of our hearts for such an amazing gift. Jennifer H."

Community Food Drive

Karen Kimball

Our guild Board approved a \$300 donation in November for Nativity Lutheran Food Pantry to assist with the continued community need. I want to thank those who have donated; the church is so grateful for your support. Their address is: 60850 Brosterhouse Rd, Bend, Oregon 97702. Just put a note on your check as a donation for the Food Pantry. Stay warm and enjoy the fall colors. Looking forward to seeing everyone again... whenever that will be.

Virtual Show & Tell

Kristin Shields, e-MBQG coordinator

Virtual Show & Tell for Guild Members

While we are all going through this difficult social distancing time I would like to offer a little bit of fun and a way for us to keep in touch. We will do a virtual show and tell on the blog. The frequency of posting will depend on how many submissions I get. I anticipate posting once a week perhaps, but I really don't know how many submissions I'll get.

If you'd like to participate please send a photo of your current project (in progress or finished). Please state how you would like your name to be posted (full name or first name with last initial), and just one sentence of explanation if needed.

Photography tips: Try to take your photo with your camera perpendicular to the quilt (i.e. - put the quilt on a design wall, or have someone hold it up). If you lay it on the floor, do your best to get the camera centered over it. The sides of the quilt will be parallel to the sides of the photo. I will not have time to edit the photos, so I would prefer that you do any editing yourself. A phone photo is fine, just be sure to take your photo in natural light and get close enough to your project so that you don't need to crop the photo too much. We want the resolution to be as high as possible. Send your photo to me with largest size possible.

I was thinking it would be fun to see people's sewing rooms in whole or just a favorite part, so that can be added to the show & tell of quilts.

If you want to keep up with the posts from your guild friends, be sure you are signed up to receive the blog posts by email. To do this, see the right side bar for the subscribe by email button.

IMPORTANT: Only send these submissions to the blog email address: mbqginfo@gmail.com.

Charity Opportunities

Memory bears.....

Hello to Mt Bachelor Quilters Guild! I serve our bereaved families with St Charles Hospice. We serve all of Central Oregon, from Warm Springs to Gilchrist and east to Prineville. Recently we have had families inquire if we were able to assist them in creating memory bears from articles of clothing once belonging to their loved one. Here in CO, we have many quilting groups. However, sewing memory bears is different and not always what a quilter is interested in doing! So, I am reaching out to our CO quilting groups for suggestions and insights as to how to reach folks who would be interested in supporting such a meaningful project. Thank you for considering this inquiry and I look forward to hearing from you!

Updated October 1, 2020

This quilt drive is a combined effort of the Pajaro Valley Quilt Association (PVQA) and the Santa Cruz County Emergency Operations Center (EOC). Each survivor will choose a quilt, providing them comfort

and helping fill an emotional void in their lives.

Although they are asking for personal sized quilts (with a minimum size of 48" x 60"), they will accept quilts for baby, toddler, students and 18 or older. They are also working with We Care, who will provide quilts to students enrolled in the public school. The quilts for the school kids, listed above, will be used for those kids not enrolled in public schools (home schooled, private, and charter or inter/intra transfer students).

Quilts can be dropped off at one of their current Drop Off locations:

Hi Everyone,

Boy oh boy, the months are flying by. If you are not receiving our e-newsletters you are missing out on some beautiful photos, as well as lots of announcements about what is happening at Stitchin' Post. Staying connected is Val's mission in these COVID times. We are operating in-store [classes](#) with only ten students at a time, so we can safely stay six feet apart. They have been very popular, and people are so happy to be in a classroom environment. We offered my Adventures in Art Quilting as a five month workshop online, and I have two full classes. It has been so enjoyable to put together demos and ideas for everyone, then to see the projects that are created on Zoom. What an inspiration! We will offer it again after the holidays. I don't know what I would do if I didn't get to be involved in some way teaching!

As most of you are aware, goods have not always been arriving when promised but we are finally getting most of those promised orders in. It feels like June, right before Quilt Show, at the moment! Marcia Derse's new "Blue" collection is due to arrive any day and I can hardly wait. If you have not seen them, I have been making Japanese Rice Bags. You can see them in our newsletters, and we have samples at the cutting table. They are really simple to make and customize.

I turned in a new Dreaming in Color blog that was just posted. I talked a lot about fall colors and the fabulous blue skies that we have in Central Oregon. I hope this finds all of you safe and healthy. Wear your masks and take care!

P.S. Almost forgot to tell you— Due to COVID, we have reimagined our **Pajama Sale!** It's coming up on **Saturday, November 14.**

Quilting weather is here, and so many of you are getting projects DONE! It is always fun to see what you've been up to. We've got a great selection of flannel, and Cuddle if you're looking to make a project extra cozy.

Thank you to everyone who donated tops and quilts for wildfire victims. You are amazing! So far we've collected 300+ tops and quilts, and have sent 75 to the Santiam area. Other areas have asked us to wait until people get settled before sending quilts, but we expect more to go to new homes soon.

As always, we have lots of yummy new things arriving, so we hope to see you soon!
